

## OUR SERVICES

Customized consulting that helps you achieve your goals in teaching, learning, & leadership

## OUR GOAL

*With our support, your school will rise to success.*

**150+**

SCHOOLS IMPROVED

*The schoolRISE® team has successfully supported more than 150 schools, museums, and non-profit organizations across the United States to achieve results.*

**15+**

YEARS COLLABORATING WITH PARTNERS

*Our schoolRISE® consultants have been serving diverse communities – urban, suburban, and rural – since 2005.*

**100,000+**

CHILDREN IMPACTED

*We are proud to have helped create a long-term trajectory of success for thousands of children across the country.*

## WE ARE

*Educational Experts & Organizational Change Agents*

“

Education is for improving the lives of others and for leaving your community & world better than you found it.

— MARIAN WRIGHT EDELMAN  
*Founder & President of Children's Defense Fund*

## What We Do

schoolRISE® creates sustainable improvement through coherent research-based professional development that addresses infrastructure, instructional practices, and student outcomes with proven results.

Our consultants are experienced presenters and teacher educators – professors, curriculum leaders, principals – who know the needs of schools and classroom teachers, as well as current research. We have helped over 150 schools, museums, and non-profit organizations achieve success and would love to partner with you.

### ORGANIZATIONAL CHANGE & IMPROVEMENT

- + collaborate with administrators, teachers, & curriculum leaders to create a long-term trajectory of growth
- + strengthen leadership & infrastructure
- + improve culture & climate

### CONTENT-SPECIFIC PROFESSIONAL DEVELOPMENT

- + design curriculum collaboratively for your school's specific needs
- + share expertise across subject areas (e.g., literacy, math) to improve teaching & learning

### COMPREHENSIVE NEEDS ASSESSMENT

- + conduct multi-dimensional needs assessments that address infrastructure, classroom practices, and student outcomes
- + engage all stakeholders to get multiple perspectives
- + provide recommendations for whole-school improvement
